Subject: USOR - approximate timeline for field work to begin
Date: Tuesday, June 02, 2015 2:42:00 PM

Matt

Our Managers are having a call with the State Counterparts tomorrow and they wanted to know all the community activities we are planning. We normally have a open house/community meeting before the RI/FS field work begins. Approximately when do you see the field work will begin at 400 N. Richey? We will tentatively put down to have a community meeting before that. Please let me know. Thanks.

Raji Josiam
